Carlos,

Per our conversation yesterday, following is a Response (to an office action) to Application Serial Number 10/086,231 which had previously been submitted with incorrect serial number and file date. As you suggested, I am faxing you the Response with the correct case information. Note that payment for a one month extension has been authorized (which was necessary in the original Response submission as well). If you have any questions, please give me a call at 607-974-2637.

Sincerely,

Kevin M. Able
